

SKY EDEN

@BEDOK

A SKY GARDEN ON EVERY LEVEL

CAN VAS

OF FOLIAGE

Sky Eden@Bedok is an impressive spectacle of vertical frondescence.

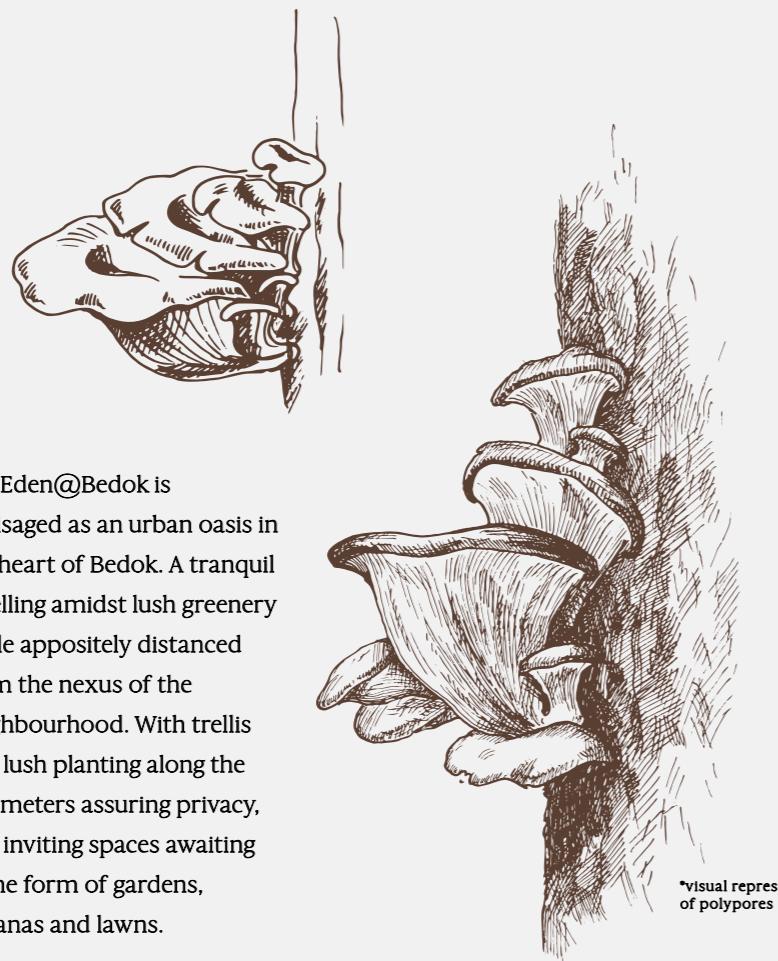

Sky Gardens cantilever and interlay across 16 storeys of 158 units, culminating in an exceptional architecture that leaves indelible impressions.

The property takes centre-stage in the mature estate of Bedok, a mere 3 minutes away from the MRT station and bus interchange.

Seamlessly tapping into an established network of amenities including markets, hawker centres and connectivity nodes.

And as the first mixed-use development launch in 10 years at Bedok Central, Sky Eden@Bedok represents both a remarkable opportunity and an opportune moment.

A SKY GARDEN

Sky Eden@Bedok is envisaged as an urban oasis in the heart of Bedok. A tranquil dwelling amidst lush greenery while appositely distanced from the nexus of the neighbourhood. With trellis and lush planting along the perimeters assuring privacy, and inviting spaces awaiting in the form of gardens, cabanas and lawns.

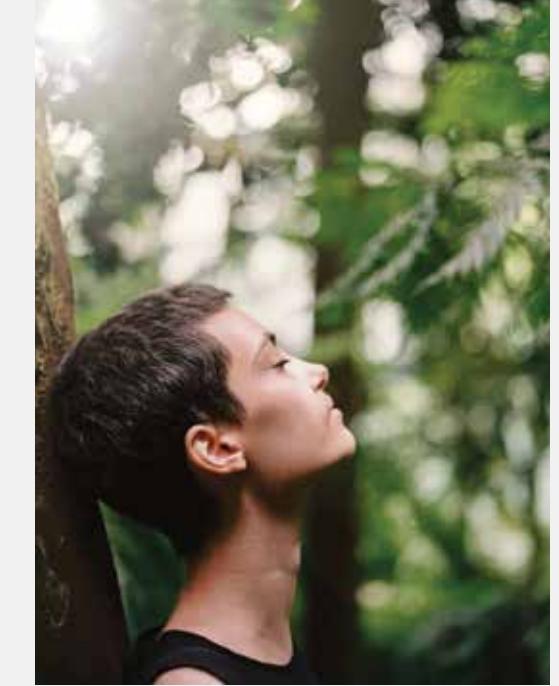

To connect you with nature and maximise the verdure of the development, the architect has adopted a biophilic design inspired by the characteristics of Polypores. Leading to the creation of Sky Gardens that interlay between the different levels and form a visual connection of greenery. Each providing a serene environment for you to socialise or enjoy moments of quietude.

ON EVERY LEVEL

Artist's Impression

So close, you can feel it.
So near, you can smell it.
The Sky Gardens bring nature
ever closer to home.

Artist's Impression

The Sky Gardens ascend skywards
right from the ground up, breaking out
of monotony while drawing admiration
both near and afar.

A GARDEN NEXT TO EVERY HOME

It greets you with the fresh morning dew at every break of dawn,
and offers a calming respite as each day draws to a close.

GROW MORE LOVE FOR NATURE

Designated as social spaces between neighbours or solitary retreats for individuals, the Sky Gardens are akin to sanctuaries where both man and the environment can flourish. A tropical palette in mixed and naturalistic form lies undisturbed in the background as lookouts towards the surroundings make for a pretty picture.

WHERE LIFESTYLE MEETS CONVENIENCES

To achieve a fine balance between tranquility amidst conveniences, a retail podium right below the development and along the pedestrian level provides easy access to necessities. This means that impromptu coffee runs and quick beauty sessions are all possible without leaving the comforts of home.

AMENITIES

You can look forward to a modern line-up of amenities such as restaurants, specialty cafes, and health & beauty services. Additionally, covered walkways will lead you under sheltered comfort to more hawker options towards Bedok Reservoir while further retail stores can be found along your walk to Bedok MRT.

The Social Clubhouse features a Kitchenette and Private Lounge where great conversations and hearty meals are best enjoyed with greater company.

WHILE FORGING CHERISHED CONNECTIONS

EVERYONE NEEDS A LITTLE **SPACE**, EVERY NOW AND THEN

Much like how the development is segregated from the hustle and bustle, the Function Lawn deviates from the clutter of amenities on the Landscape Deck. Paving the way for an open space that could be utilised for recreational and social purposes.

For moments of quietude or concentration, the Co-work Sanctuary is situated in a serene corner of the property right along the Lily Pond.

Adjoined by a Co-work Patio and complete with individual work pods and a conference table that fits up to 5, this zone is designed for minimal distraction and optimal productivity.

Tucked right beside it is the Community Farm Garden where urban farming is encouraged and neighbourly ties are nurtured.

AND THE SOUL

MORE EXCITEMENT UNFOLDING IN THE EAST

Under URA's Master Plan to revitalise the east coast, Sky Eden@Bedok reaps the same added conveniences and amenities that the upscale Bayshore Precinct enjoys. Supplementing the wealth of green spaces will be the inclusion of a new linear park with heritage sea walls and a sea pavilion, while connectivity to the ever-popular East Coast Park is enhanced with a 4km Outdoor Play Corridor that starts from Bedok Reservoir. And to protect Singapore's coastline, a "Long Island" along the south-eastern coastline from Marina East to Changi would see coastal protection measures integrated with future land reclamation. Future developments could include residential homes, parks, recreational spaces and a new reservoir.

Thrill-seekers can revel in an exhilarating selection of activities over at the recently-completed HomeTeamNS Clubhouse, while jet-setters can get excited come 2030 as the new Terminal 5 at Changi Airport is slated to handle up to 50 million passengers a year.
